The **PTA** has generously agreed to donate **\$2000.00** towards **20** Moon Pads (cool floor pads to sit on like in Rooms 4 and 5) and **2** Moon Pad trolleys for the Block A classrooms, along with 1 bench top oven and 1 microwave for the Block A multi-purpose room.

The multi-purpose room, which includes two large sinks, two stainless steel benches and one mobile bench, is designed as a wet area for activities such as food technology, visual art and science-based learning, as well as being a third breakout space for day to day teaching and learning.

Staff Professional Learning

1. On **Monday 22 June**, the teaching staff continue with their professional learning with **Mrs Shirley Collins**, our Mathematics facilitator from the Institute of Professional Learning-University of Waikato.

Shirley will spend the day in classes observing teachers in action followed by a staff meeting at 3.40pm when further learning opportunities will be shared.

2. On **Tuesday 23 June**, our **Healthy Active Learning (HAL)** facilitator, **Amy McMahon**, will return to model the teaching of PE lessons, following which, Amy will observe teachers in action themselves in Term 3.

A reminder that HAL is a **Ministry of Education, Ministry of Health** and **Sport NZ** initiative, in working alongside **Sport BOP** as the provider, that we are privileged and fortunate to be a part of.

LED Lighting

We are also fortunate to be a part of a **Ministry of Education** LED lighting installation pilot programme.

All teaching spaces throughout the school are expected to have LED lighting installed by the end of July 2020.

Empowered Learning Trust

On **Thursday 25 June**, community screeners from the **Empowered Learning Trust**, Keren and Andrea, will be on-site from 9.00am for the **Irlen Screening** of a small number of Year 4 students (7).

They will return in Term 4 to undertake **Auditory Processing Disorder** assessments for all Year 4 students and others who we/you think require an assessment..

We appreciate their ongoing support of the Reporoa community.

Truancy Survey

At the request of **Viv Sutton, Senior Constable - School Community Officer**, Rotorua Police, I have been asked to share with you the letter below.

Tena koutou katoa, ko Ross Humphrey tōku ingoa

I am a Police Youth Aid Officer based in Taupo. I have been working on a research project around understanding truancy with the view of creating a more preventative and collaborative approach locally; an approach which may be useful for other areas as well.

Part of this research, involves a survey to look at the causal factors and sentiment around truancy from different aspects.

Each survey takes around 10-15 minutes to complete.

I look forward to your input if at all possible.
