School Cell Phone Number **021 0291 9131**

Please use the school cell phone for absentees and other school-related issues.

Please **text only** (no calls) to this number.

Please include your child's **name** and **reason for absence**.

From the Principal's Desk

Kia ora, whānau

Ngā mihi nui, ki a koutou (Greetings to everyone!)

It was wonderful to see so many happy faces join us on Monday morning! We've all survived!

Forthcoming Events - *Important!*

Due to COVID-19 and our current position under Alert Level 2, a number of sporting and cultural events have been affected, either through postponement or cancellation.

The **BOP Rippa Rugby**, **Cluster Cross Country** and **CBOP Cross Country** events have been cancelled for Term 2.

The **Cluster Cultural Festival** is postponed at this stage. A decision to hold it in either Term 3 or to cancel will be made at a later date.

The **Broadlands School Cross Country** training and event will continue, albeit delayed. How the event is organised will depend, in part, on the Alert Level at the time, although I expect it to be at Level 1.

The provisional date for our school **Cross Country** is **Wednesday 1 June**. Details to follow.

We have received NO official advice from the **miniball**, **hockey** or **netball** associations as to the restart of their seasons (if at all).

New Playground

The new playground areas were a source of great delight and excitement which have both been given a decent dose of time and energy throughout the week.

The main playground will remain a junior one, but each class is getting a chance to have a play this week, with the 'Lunar V2 Climb n' Spinner' being by far the most popular!

Bike Trail

The bikes, helmets and bike trail project is on hold as my chosen funding source has 'dried up' a little as a result of C-19 at Alert Levels 4 and 3. I will re-submit the current application to the NZCT once given the go ahead by them. I will update you in due course.

Board of Trustees - Block A Re-development Update

Despite the delay, the Block A re-development is progressing well on the main Wade Construction contract.

Work will start shortly on the refurbishment of the actual three classroom spaces/Rooms 1-3 which, in brief, will involve the:

- removal of all old sinks/wet areas
- removal of all old shelving and cabinetry
- total stripping of all walls for gibbing
- installation of new skirtings and scotia to paint finish
- installation of autex composition over the gib3
- installation of three open/sliding door cavities between the classrooms, (already started as part of the current contract)
- re-carpeting (approx. 1.8m around the outside of the existing carpet to match)
- installation of three new teaching/storage units
- installation of LED lighting
- addition of the three new Samsung 65" UHD Commercial-grade SMART TV's, each on a trolley
- addition of some other new furniture and items like stools, microwave, mini oven, cooking materials...

As we need to clear out all teaching and learning materials and furniture from Rooms 1-3 for the above to happen, there will be a 6m container placed outside Rooms 4 & 5 (field-side) some next week.

All going to plan, we might be in Block A for the beginning of Term 3! :-)

Exciting times and great too, to have things to look forward to!

School Uniform

You're doing well! I know that we are just back into things again, but a timely reminder that any hats or beanies, fleece and trousers worn at school must be our school uniform ones.

School uniforms can be ordered from the Office.

Have a :-) weekend!

Ngā mihi

Graeme
