Alert Level 1

In anticipation of a NZ Government move to Alert Level 1 next week, the following are the expected key changes for schools at Alert Level 1:

1. There are no specific public health requirements.
2. There are no restrictions on personal movement at, so all students and staff continue to be safe to go to school and all students must attend.
3. We are no longer required to keep a contact tracing register but will continue with the usual practice of using VisTab (in the Office entrance) and monitoring attendance (and will need to work with local health authorities to identify close contacts, should there be a case connected with the school).
4. Physical distancing is not a requirement but is encouraged when you are around people you don't know.
5. There are no restrictions on numbers at gatherings or on physical activities including cultural and sporting activities and other events.

(Source: Ministry of Education Bulletin 4.6.20)

Naturally, we must all continue to maintain a high level of well-being practices.

Thank you for your support and compliance under Alert Level 2.

Our Virtues

Our Virtues are at the core of all we say and do at Broadlands School. That is, our actions!

As our tamariki have returned to school, we have certainly seen a decline in the awareness and use of our virtues which we completely understand.

So with your support and encouragement from home, we must progressively bring the virtues back into the forefront of their minds, not just as words, but everyday actions! Our senior leaders are key in this process.

Respect and **responsibility** are two main ones under which others nicely sit such as **helpfulness, honesty, courtesy, caring, reliability, cooperation, friendliness** and **cleanliness**.

We also focus on two other virtues which we feel are not acted upon as well as we would like, being **initiative** (doing things without being asked) and **appreciation** (appreciating others and what they do for you.)

Your support from home is important to us which we will greatly appreciate.

Te Reo with Tenia

We are thrilled to have **Tenia Mita** back working with us from **Wednesday 10 June** to teach **Te Reo** and **Tikanga Māori** throughout the day.

This is a Community of Learning (CoL) Kahui Ako initiative. Tenia will be employed by Broadlands, Reporoa College, Reporoa Primary, Mihi and Central Kids.

The **Ngati Tahu - Ngati Whaoa Runanga Trust** will be funding a large portion of this project with funds from the Tauhara North No.2 Trust. We thank them for their support in providing us with a wonderful resource to increase the knowledge and understanding of our tamariki in Te Reo and Tikanga Māori in the Ngati Tahu - Ngati Whaoa rohe (tribal area).

Kapa haka with Matua Grant

Under Level 1, **Matua Grant** will be working with our junior and senior performance groups as a whole again from **Thursday 11 June**.

I have no further update on the rescheduling of our annual **Cultural Festival** which was to be held in Term 2.

Bus Vests

Quite a few of the named bus vests provided last term for the safety of your child seem to have gone AWOL! These must be at home as they are not at school.

Please follow this up from home just as we do from school.

Thank you!

Sports Teams

With the restart of school and community sport for training and games under Level 2 and Level 1 to come, including miniball & hockey (school) and soccer & rugby (community), it has become a little messy through no fault of anyones.

If your child is no longer playing a school sport, miniball or hockey, please advise Mrs Lynch ASAP.

Everyone is just so keen to get going again which is great!

Your patience and understanding of this would be appreciated at this time.

Thank you to the coaches and managers for their time and commitment and to Mrs Lynch for coordinating it all.

Have a :-) weekend!
