From the Principal's Desk

Kia ora, whānau
Ngā mihi nui, ki a koutou (Greetings to everyone!)

“Develop an attitude of gratitude, and give thanks for everything that happens to you, knowing that every step forward is a step toward achieving something bigger and better than your current situation.”

Brian Tracy

School Office

Tracey will be on leave today and for all of next week.

This will provide an opportunity for our Office Telephonists; **Richard Wotherspoon, Charlotte Stewart, Jade Smith, Ben Copsey, Nirvana-Suede Webber** and **Archer Wills**, to man the phone, take messages, and in the process, strengthen their communication and listening skills!

We expect to continue to offer the same level of service as we would normally.

Board of Trustees - Block A Update - *Project #1*

Rapid progress is currently being made in the area of gib stopping and painting prep in readiness for painting, carpeting, cabinetry, toilets, electrical and the installation of autex composite wall display board. The installation of a new septic tank system for Block A is also underway.

Based on the current time-line, it is anticipated that we will be moving back into Rooms 1-3 during the first week of Term 3 ready for full occupation for teaching and learning in the second week. An exciting day that will be!

Board of Trustees - Cloak Bay - *Project #2*

The scoping and pricing of a cloak bay/bag area facility on the south/east corner of Block A is also currently underway.

I will update you in due course once this Board-funded project has been approved by the Board of Trustees.

Board of Trustees - Room 5 - *Project #3*

Due to the historical and inferior (but safe) design of Room 5's roofing structure, a new roof with extended eaves, including insulation, is required. This project will commence once Block A has been completed.

Go Bananaz

Go Bananaz will re-commence on **Friday 19 June** at 10.00am with Jono and team.

Mid-Year Reports

COVID-19 has impacted upon our ability to fairly report to you about your tamariki in accordance with our 2020 assessment and reporting schedule.

As such, the **Mid-Year Reports** for **Years 3-6** (those at school after 24 months at school), which were due to you at the end of Term 2, will now come to you mid-Term 3.

Anniversary Reports for **Years 1-2** (those after 6, 12, 18 and 24 months at school), will remain within a slightly re-scheduled time-frame.

In either situation, you will still receive two formal reports during 2020.

We will hold our re-scheduled **Learner Conferences** mid-Term 3 with details to follow.

Have a :-) weekend!
