## Communication with School

Unfortunately Tracey has been unavoidably away all of this week, so the Office communication and response times may have been a little less efficient.

Our apologies if this has been the case.

Thank you for your patience!

## Funding Success

I am delighted to advise that the application to the **NZ Community Trust** has resulted in a funding grant of **\$8115.44** to purchase **20** bikes and **24** helmets has been successful.

Whilst there is a national shortage of bikes due to the overwhelming demand (as a sport gaining huge momentum), we will have the bikes available to begin 2021.

I am sourcing a good 40ft container for secure storage at this time which I expect to have in place during Term 4. A project for Term 1 2021 will also be to paint the container in an appropriate and naturally-blended way.

A process will also begin this term for the construction of a bike trail, including skills obstacles, around three sides of the main field.

Another new and exciting venture for Broadlands School!

## *Hats! Hats! Hats!*

From **Wednesday 4 November** (next week) there will be a *'NO Hat - NO Play'* rule at morning tea and lunch-time.

Tamariki will sit under the trees by the Office getting bored!

## School Sores - *Reminder #2*

School sores is the common name for impetigo, a highly contagious skin infection most often seen in children.

School sores have made an appearance with two students this week...there may be more!

I have enclosed a flyer for your info. Please read this carefully.

*If your child develops school sores, then he/she must stay at home until the condition is not contagious anymore!*

*Ngā manaakitanga*
