From the Desk of the Tumuaki

Kia ora, whānau

Ngā mihi nui, ki a koutou (Greetings to everyone!)

Being told something positive about yourself, whether from someone you're close to, or a passing acquaintance, should really lift the spirits. Just the fact that someone has taken the time to let you know, should have you feeling noticed and appreciated.

Bike Trail Update

At this time, we just have to step our way through each stage of the bike trail development.

1. Courtesy of **Ecostock**, the 40ft container will arrive from Auckland on Monday morning at 0800 hours..
2. The **20** bikes will arrive early next week from **Gordon's Pack & Pedal**.
3. The **25** donated helmets from **Rotorua Lakes Council** have arrived.
4. Next week we will mark out a possible trail design around the outside of the main field which we will trial to see if it works for the cyclists.
5. Once this is decided upon, then the bike trail construction will begin. For this, a front end loader will be needed to excavate the 2m-wide trail, say 100mm deep, with a truck needed to cart the topsoil away.
6. Limestone (or similar) will be applied and compacted ready for use.

IF YOU ARE ABLE TO HELP OUT WITH THE EXCAVATION, CARTAGE, LIMESTONE SUPPLY AND INSTALL, PLEASE LET ME KNOW AS YOUR ASSISTANCE WOULD BE VERY MUCH APPRECIATED!

Learning Support Programmes 2021 - In brief

Here are just two of the learning support interventions we are offering this year (more next week).

**BRICKS Club =
Building Relationships, Independence, Creativity with Kids in School**

This is not your usual 'free play' with lego, but a structured session for three small groups of students at all year levels designed to encourage and develop positive social and communication skills. Team roles are given such as Manager, Supplier and Builder.

We have a dedicated room set aside for the BRICKS Club in the breakout space beside Ruma Toru/Room Three.

At yesterday's BRICKS Club in their Clubhouse were **Lucy, Fergus and Krystiana.**

Some of the skills being developed are problem solving, language, confidence, memory, P.E. skills, and social skills. It develops through movement, motor skills that are related to the child's own needs, in the areas of eye/hand, eye/foot coordination, locomotion and balance and fitness (including stamina, flexibility, and strength).

PMP will take place three times/week in the Broadlands Community Hall with the Year 1 and some Year 2 students.
