School Uniform

As we have a well-established school uniform, it is important that we maintain the high standard we are well-known for. **Please** maintain this standard!

There have been a few non-uniform jeans/trousers/fleece pants this week. Black unisex cargo-type pants, as with all items of uniform, can be ordered through the Office.

Fire Drill

At 10.19am on **Thursday 25 March**, we held our first fire drill for the year.

Following some discussion on the field about **WHY** we have a fire drill, I asked that each of our tamariki go home to check out two things: Hidden Code #2: *SchApprocks*

1. *HOW many SMOKE alarms DO YOU HAVE AT HOME?*
2. *ARE THEY WORKING?* (they were to ask an adult to check and test them)

If you haven't already done so, please have a discussion about your own fire evacuation plan at home ASAP. Again, it is important that they understand **WHY**. However, it is also important that they don't get freaked out by your chat.

Thank you for your anticipated follow-up.

SchoolApp...The Winners!

Congratulations to:

Emma Semple (Grace & Edison) **1ST - \$20.00 CR**

Kelly Johns (Jessie-Lee) **2ND - \$10.00 CR**

SchoolApp...‘Hidden Code #2’

SchoolApp provides you with instant messages, for example, reminders for upcoming school events, team or class announcements and most importantly, emergency situations such as fire, earthquake and school lockdowns (which could happen at any time!)

Being instant, it is a much more efficient than email or Facebook.

It is important that **EVERYBODY** is connected ASAP. If you need help with this, please ask a staff member or Kasey in the Office.

Get this! To give you a little more time and as another incentive, in this week's *Broadlands Bulletin* I have placed a second 'hidden code' for you to find.

Sometime next Thursday (before Easter), Kasey and I will send out another **SchoolApp** message for you to provide the code by return **SchoolApp** message.

1. **Make sure you have downloaded the app SchoolAppsNZ. To make it easy use the QR code. (Below)**

2. **Open up SchoolApp**
3. **Click on 'Absentee'**
4. **Click on 'TXT office' OR 'Email'**
5. **Type in the hidden code**
6. **Send.**

The **FIRST** person to respond with the correct code will receive a **\$20.00 CREDIT** to their school account. The second, **\$10.00**.

The winners' names will be included in next week's *Broadlands Bulletin*.

Bikes @ Broadlands

The last shipment of **9** bikes will be arriving just after Easter bringing our total to **23**.

We've certainly had some fun on the **14** we have at the moment! I have been impressed by the bike riding abilities of most bikies so far.

Ruma Whā

We are investigating what an insect is and what is not. Using magnifying glasses, we searched under rocks, wood and leaves to see what insects we could find. The magnifying glasses made the bugs look really big. We found little ants, a centipede, a slug, spiders and spider webs and a black cricket.

It was really exciting!

Dear Parents/ Whanau

We are excited to introduce you to our easy to use School App!

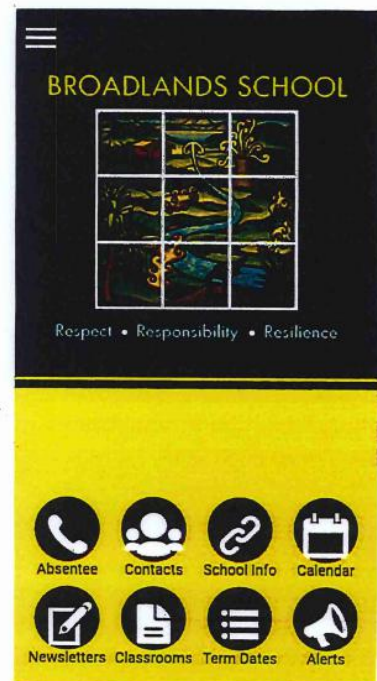

Our School App is another communication tool Broadlands School use to work alongside our School Website and School Facebook. We will also be using the app during any Lockdowns and/or Emergencies to keep you informed.

Our School App will not replace the School Website and/or Seesaw and/or the weekly Newsletter, but mutually support.

Just scan the QR code provided to access our School App from your android or iOS mobile device.

If you have any queries or experience any problems, please do not hesitate to contact me.

Thank you!
Broadland School Staff.

PLEASE SUPPORT THOSE WHO SUPPORT US!
