From the Desk of the Tumuaki

Ngā mihi nui, ki a koutou (Greetings to everyone!)

“

There's no such things as
a small act of kindness.
Every act creates a ripple
with no logical end.

SCOTT ADAMS

GRACIOUSQUOTES.COM

Let's be a community that appreciates...say "Thank you!"

Central BOP Cross Country

Our **11** athletes performed exceedingly well at this week's **Central BOP Cross Country**

Championships held in Tauranga. This is a highly competitive event, and although we didn't achieve any significant placings (say top 10), all gave their all!

Thank you to **Halei Aarsen, Rachael Martelli, Karla Shaw, Sheridan Phillips, Lisa Arnold** and **Melissa Young** for providing transportation and supporting the event.

Classroom Release

Thank you to **Maria Fitzgerald** who has provided teachers with their release time in Term 2.

During this time, Maria has inspired our tamariki with numerous examples of stunning visual art as you have seen within our weekly 'Bulletin' and on Facebook. These pieces are now on display around the school.

We wish **Maria, Bradley, Bradyn** and **Rielly** exciting times ahead!

The Board of Trustees also thanks Maria for her time as Board Secretary over the last two years.

During Terms 3 & 4, **Karla Shaw** will be providing teacher release (one day/week/class) with her focus being **STEAM** which involves integrated and real-world approaches to the teaching of **Science, Technology, Engineering, The Arts and Mathematics**. STEAM drives inquiry, conversations and critical thinking skills.

Board of Trustees Secretary

The Board has not as yet found a Board Secretary replacement. Our next Board meeting is on **Wednesday 7 July** at 6.00pm.

If you might be interested, please give me a call, call in or have a word with Kasey Wills who is one of our Trustees ASAP please.

Reporting at Broadlands

As advised during 2020 and earlier in 2021, 2021 will be the first year where there will be no one-page formal reporting mid-year or end-of-year solely in the areas of Reading and Writing (Literacy) and Mathematics, also with the inclusion of a 'General Comment' and 'Principal Comment'.

Of course, we will be reporting to you (as we have been with Seesaw for over three years) but how this reporting looks in 2021 will be different to past years which we see as a huge advantage to us all as we continue to build our three-way learning partnerships.

Already this year there has been reporting to you through our learning sharing app, Seesaw. The most significant advantages of regular reporting through Seesaw are:

- That you receive very regular learning posts as they happen (called real-time reporting).
- The posts are tagged across all Learning Areas of the NZ Curriculum over time including: Reading and Writing (Literacy), Mathematics, Health and Physical

Education, The Arts (music, drama, dance & visual art), Science, Social Sciences, Technology and Digital Technologies.

- The learning posts are directly linked to the NZ Curriculum 'Key Competencies' such as 'Managing Self', 'Relating to Others' and 'Participating and Contributing' AND our Virtues; particularly 'Respect', 'Responsibility' and 'Resilience'.

Another advantage is at the end of the year, your child's learning can be archived/saved for future reference.

A few weeks' ago, we offered two Seesaw Workshop opportunities during which time this information and knowledge would have been further shared and support provided in your use of Seesaw.

You are invited to discuss this further with your child's teacher or me if you wish.

Enjoy the journey!

Tik Tok **WARNING!!**

Tik Tok is a video-sharing focused social networking service owned by ByteDance. The social media platform is used to make a variety of short-form videos, from genres like dance, comedy, and education, that have a duration from fifteen seconds to three minutes.

TikTok requires that users be at least 13 years of age to use the full **TikTok** version, although there is a way for younger children to access the app. Anyone under the age of 18 must have approval of a parent or guardian.

Unfortunately, some of the grossly inappropriate Tik Tok content and language has been recently used at school. We immediately shut this down and expect that this will not continue. Tik Tok is not being accessed on any of our school devices.

As a community with young children, please be well aware of the absolute dangers of platforms, such as Tik Tok, and what your child/children may be into on-line.

It is not always a safe place!

Sports Uniforms

On the lookout please! Return urgently!

NZEI Paid Union Meetings *Heads Up #2*

Broadlands School classroom teachers who are members of NZEI Te Riu Roa will be attending a paid union meeting at 1.30pm on **Monday 5 July**.

The purpose of these meetings is for teachers to discuss the priorities for the renegotiation of their collective agreement in 2022. Issues being discussed, such as school staffing levels, directly impact on the education of your children. These meetings are a critical component of the negotiation process and it is the legal right of all members to attend a meeting and have their say.

While there will be some impact on the usual school programme that day, we have adjusted the programme to minimise disruption, and the school will remain open with the support of the Principal and remaining Support Staff.

Ngā manaakitanga ki a koutou

Graeme

Healthy Active students participating at BOP Cluster Cross Country

What has Ruma Wha been up to???

We had fun running on the frosty grass yesterday morning. We wanted to see if we could leave our footprints behind us.

Join Us! PTA Meeting

Reminder PTA meeting next week Tuesday 6 July 6.30pm in the staffroom.
Come on down, join the fun! We welcome everyone!
