Public Health Order - Covid-19 Vaccinations

You should have received a letter (on Wednesday) by hand and an email (Thursday) concerning the Public Health Order.

As stated in the letter, we are indeed fortunate that the implications of the PHO and the vaccination status of our incredible staff will not impact at all on the day-to-day governance, management, staffing and the teaching and learning of our students at Broadlands School.

These are unsettling times for the education sector, but we power on as only Broadlands School can do!

Athletics - *A further & final reminder...*

We are looking forward to our **Athletics Sports** on **Tuesday 16 November**.

However, there will be a modified organisation in order to meet Ministry of Education/Ministry of Health - Alert Level 2 - Covid-19 gathering guidelines, Public Health Order/mandate requirements (as of 16.11.21) AND some conditions placed around parent/caregiver/whānau involvement on the day if you are here on-site.

These include:

1. No whole school or group gatherings at the beginning and end of the Athletics Sports (to avoid gatherings of adults on-site).
2. Championship and achievement awards will be presented at Friday's weekly assembly.
3. Visitors QR code in (QR codes at all entry points).
4. Maintaining physical/social distancing of 2 metres.
5. Masks are optional but recommended.
6. **Visitors must assist staff at each event rotation in order to support the delivery of our Health & PE curriculum (either at one event all day OR moving from event to event).**

Thank you in advance for your anticipated support.

Mobile Dental Caravan

I was advised yesterday that the mobile dental caravan will be arriving at Broadlands School on **Thursday 18 November** for at least the remainder of Term 4...likely into Term 1 2022.

School Paddock

Our school paddock is cut and baled through the year with the bales sold to provide additional income for the school.

I would like to acknowledge **Josh Carston, JW Carston Contractors**, for his ongoing support by providing the machinery and time to cut and bale at no cost to the school.

Thank you, Josh!

A Thank You to Our Guest Speaker

A special thanks to Mr Ross Shaw for coming into our school on Thursday 11 November to talk to Room 3 about the special area that we live and have our school in. We enjoyed having you here and the most interesting parts were the comparisons between the expenses of England and Reporoa, the different roads in Reporoa that were named after different things, and talking about the minerals that farmers had to put in the farm water supply to protect their cattle from diseases such as the Sleepy Sickness.

What did the lucky farmer have on his farm? A half-house!

We learnt a lot and on behalf of Broadlands School we would like to thank you for coming to our school in your own time to share information about this special topic.

Scholastic Book Fair

Our annual Book Fair is being held in the Learning Centre between **Monday 15 November** and **Monday 29 November**. All classes will have an opportunity to look through the fair and if they wish, write a 'Wish List'.

The 'Wish Lists' will be sent home on or about **Monday 15 November** and if you would like to purchase any items, please fill in the form and send it back to school with the correct payment. We also accept cash, cheque and eftpos in the school office.

If you would like to purchase items quietly for Christmas presents, please let Tracey know and this can be sorted for you.

A percentage of all books sold are used to buy the school new library books.

Children are not allowed in the Learning Centre without a teacher or adult.

Thank you to Marty Wills and our **student librarians** for helping set this up.

Newspaper!

The Flower Show is just around the corner so I am now on the hunt for newspapers to cover the hall floor while the children create their flower arrangements.

If you have unwanted paper, could we please have them dropped off to the office which would be greatly appreciated.

Photo Day

All going well for Masterpiece Photography and their Waikato Alert Level, our annual **Photo Day** will be held on **Monday 29 November**.

Photos are taken by Masterpiece Photography. Masterpiece will be taking individual photos of **ALL** our school children as well as sibling photos. They will also be taking some leadership photos. Once we have draft copies, they will be displayed on the Office windows.

If you would like photos of your children with their pre-school or college siblings, please be at school at 9.15am. We will have the pre-schoolers and college students' photos taken first.

An envelope will be sent home approximately a week **after** photo day with a sample of individual/sibling photos attached. You may keep the photo regardless if you order the photo or not.

You will have two weeks to send back the envelope and money to the Office for free delivery. If you have any questions please contact Kasey in the Office.
