Welcome Back to School!

Ngā mihi nui, ki a koutou

What a glorious autumn holiday period and week it has been for us, especially down south for the adventurers amongst us!

We so look forward to seeing you about more and more over the coming weeks.

Thank you also for supporting us; our awesome teachers and support staff; our wonderful BOT and PTA; our school and its inclusive culture; by being with us on the learning journey that is life.

We continue to welcome new whānau/families to our school which we truly appreciate and are delighted by. *Thank you*, again!

Learners' Conferences

Learners' Conferences will be held during the week beginning **Tuesday 17 May** for **ALL** year levels.

Likely known to you as 'Parent-Teacher Interviews', Learner Conferences are for you the parent(s), your child/children AND the teacher.

Such is the importance of the conferences, there is an expectation that we will see you all at some point around this time. We understand that you lead busy lives so we will provide some flexibility with your appointment time(s) if necessary.

The conference booking information has been provided today as a named hard copy sheet, so please book a day and time as soon as possible. If none of the options provided work for you, please make a request on the form OR contact the classroom teacher(s) directly.

Orange Setting - a reminder...

I appreciate that we're definitely all over it, but just a further reminder that we will be following Ministry of Education advice and guidance for Term 2:

- Face masks will be worn Year 4 to 6 only (Rooms 2 & 3)
- Face masks are to be worn indoors by visitors
- Good hygiene practices remain (good coughing and sneezing habits)
- Good classroom ventilation
- Outdoor 'bubbles' will end (open play and lunching areas)
- Children stay home if unwell and RAT if required (PS if you require a single RAT, I have them available at school)

also...

- QR coding into school is not required
- Mask wearing on the school bus services is not required (only age 12 and up)
- Visitor/community numbers are not limited outdoors
