Matariki Activity Week

Matariki activities have been happening this week. Students have been involved in a range of activities in their Broadlands School House groups involving tuakana teina (older students helping younger) and with other members of their whānau.

Matariki is a time to share, a time of hope, a time to reflect, and a time to focus on whānau.

Enjoy your long weekend!

A Note from the Board

For the past three years the current Board of Trustees have had the pleasure of working alongside Graeme and the Staff of Broadlands School.

A trustee's role is to help make informed, collaborative decisions around policy and strategic planning and helping to strengthen the direction which our school is heading.

In the coming months the Triennial Elections will be taking place. There are two key dates for you to remember:

- ***Nominations for Trustees close on Wednesday 3 August 2022***
- ***Election Day (voting closes) Wednesday 7 September 2022***

Watch out in the Bulletin in coming months for information and reminders around these dates.

In the coming three years there is set to be further change to the education system, so this is your chance to be involved, therefore, helping to insure our children get the best educational outcomes.

There is no such thing as the 'right' person to be a trustee. If you are interested about our children's future at Broadlands School, and feel you are a person who can work well in a team. Then it's time to raise your hand and put yourself or a person you know forward.

Please feel free to get in contact with any of our current board members, or visit www.education.govt.nz-boards-information if you would like to get a further understanding of a board member's role.
