Our Reporting to You

As a reminder, especially for our new parents/caregivers, since 2021, we no longer provide traditional formal written reports mid-year and end-of-year.

Covering all curriculum areas over time, our reporting is now through our learning sharing app called **Seesaw** which we expect that you have all downloaded and accessed frequently to see what's going on in your child's class via teacher and student posts.

If you need help here, please ask.

During the year, there are various milestone reporting dates when more formal learning is shared with you. At the end of Term 2 (next week), all teachers will be reporting on your child's learning and curriculum achievement levels in the areas of Writing and Mathematics.

It is hoped that you will more than '*like*' the comments made by your child's teacher, but actually **comment** on your child's achievements and also **talk about** the teacher's comments with your child. This is so powerful as the children see that you are interacting with and valuing their learning achievements.

If you prefer, comments can be by voice by clicking the microphone next to the comment box.

Please appreciate the time your child's teacher has spent preparing these milestone reports. Equally powerful!

Thank you for your time here.

School Uniform

Part of our school uniform is a school beanie (pictured) which is optional to buy..

This is the only beanie to be worn at school.

Bus Vests

Bus vests have been provided to all bus travellers which **MUST** be worn **TO** and **FROM** school **EACH DAY**.

This requirement is even more important during the winter on foggy mornings.

As we do from school, please ensure that bus vests are **ON** before travelling to school each morning. **Thank you** for your assistance here with this joint responsibility.

School Cross Country - Champion

Intermediate Girls' Champion (7 & 8 Year Olds)

Maria Stewart

Tee Ball Competition

The Final of the **House Tee ball Competition** was held yesterday.

Tauhara v Ruapehu

Ruapehu won 13-7.

Well done to both teams for making it into the final.

A Note from the Board

For the past three years the current Board of Trustees have had the pleasure of working alongside Graeme and the Staff of Broadlands School.

A trustee's role is to help make informed, collaborative decisions around policy and strategic planning and helping to strengthen the direction which our school is heading.

In the coming months the Triennial Elections will be taking place. There are two key dates for you to remember:

- ***Nominations for Trustees close on Wednesday 3 August 2022***
- ***Election Day (voting closes) Wednesday 7 September 2022***

Watch out in the Bulletin in coming months for information and reminders around these dates.

In the coming three years there is set to be further change to the education system, so this is your chance to be involved, therefore, helping to insure our children get the best educational outcomes.

There is no such thing as the 'right' person to be a trustee. If you are interested about our children's future at Broadlands School, and feel you are a person who can work well in a team. Then it's time to raise your hand and put yourself or a person you know forward.

Please feel free to get in contact with any of our current board members, or visit www.education.govt.nz-boards-information if you would like to get a further understanding of a board member's role.
