### Masking Down

What a relief to hear on Monday that mask wearing within schools is now not required by the Ministries of Education and Health (although this remains optional should a child/family wish that). What a difference it makes here!

As a school, we have done so well by showing a great commitment to the well-being of our community and patience along this unfortunate but necessary journey.

*Thank you* to you all for your support over the last two plus years!

At school, we will continue to follow good hygiene practices (including sanitising hands and tissue usage) and classroom ventilation.

### Absentee - Communication

Communicating with us/Office that your child(ren) is/are going to be away from school is so important. If not done, then the time taken by Kasey/Office to contact you can be excessive. So please...

- **Phone, text or email** absentees by **9.30am** daily
- Provide a reason (which is a legal requirement)

*Thank you* for your cooperation here.

WEDNESDAY 28TH SEPTEMBER

# **Broadlands School Calf & Pet Day**

## WHAT YOU NEED TO KNOW

### Calves, Lambs and Kids

These pets need to be born after the 20th July. Children are expected to present their pets to the judges in a well cared for condition. They will lead and call their pet and talk to the judges about how they have cared for them. Parents need to transport these pets to school with a lead and drinking water. Pets are tethered to the fence along side the field and children are expected to stay with their pet. Adults are not allowed with children and pets while judging is taking place, however, there will be stewards who will help your child with their pet. When your child hands in their pet day form they will be given a booklet for calves and lambs only that covers this in much more detail.

### Dogs

Dogs need to have a nice nature to attend Pet Day. They are to be tethered all day under the trees by the senior playground on the field. Children are expected to lead and call their dog as well as talk to the judges about how they care for them.

### Domestic Pets

Your domestic pet needs to be contained in an enclosure, which will be kept in a classroom. Your child is expected to stay with their pet and talk to the judges about how they care for them. These pets need to be brought to school by parents.

### Bee Creative Competition

This is a bee themed creativity competition. Children can enter a creation made at home which fits into any of these three categories,

1. Edible creations e.g. cupcake creations, vegetable creations etc...
2. Arts and crafts e.g. recyclable/reusable creations, knitted craft, fabrics etc...
3. Digital art e.g. stop motion animation, photography, video/movies, programming etc...

### Pre-schoolers

We welcome pre-schoolers to bring along a pet. There will be a special ring for calves and lambs only on the field which they can walk around with their pet. They are allowed parental help.

### Pet Parade

Dress up your self and your pet any way you like. There is no theme for this. Everyone will walk in procession showing off their beautifully dressed pets. Prizes will be awarded for the best costumes.

### Whanau Entertainment

Pet Day is a great day out for families, come and watch the children in the competition rings, stroll through the Bee Creative competition entries, buy raffle tickets, enjoy baking, BBQ, coffee and cold drinks in the spring sunshine. More information about Pet Day can be found in our Pet Day handbook which is available from the Office.
