Energy and highly-sugared drinks

As a school and in accordance with Board of Trustees' Operational Policies - O7 Health and Safety Policy (which can be found on www.broadlands.school.nz), we are required to take a strong position on the intake of energy and highly-sugared drinks (including so-called 'sports drinks') in the diets of our tamariki whilst at school.

Obviously, what you choose to provide through home is at your complete discretion. However, what happens at school or at a school sporting event is at ours.

Note: If drinks such as these do arrive, they will be confiscated, so we respectfully insist that you respect our rules and to not put us in this position in the first place. Thank you!

Staffing News

Mrs Debra Lynch has been awarded a Teach NZ Sabbatical during Term 2, 2023.

During this time, Debra will be travelling with her husband Andrew through the UK, with a period of time in Europe, including Italy, Denmark and Croatia.

Whilst in the UK, and as part of her educational focus, Debra will also be visiting schools to observe the effective teaching of storytelling and communication in oral language to enhance learning.

We are very fortunate to have appointed **Mrs Karla Shaw** to the teaching position in Ruma Rua / Room 2 in Mrs Lynch's absence for most of the term. Mr Mudge will be in for eight days during the middle part of Term 2.

PTAAGM

At Tuesday night's **PTA AGM**, the following officers were elected for the next 12 months.

Co-Chairpersons: **Rachael Martelli & Celeste Wills**

Treasurer: **Sarah McCormick**

Secretary: **Karla Shaw**

Committee Members: **Paula Gold, Candice Riddle & Amanda Fitzgerald**

*A reminder that new members are extremely welcome to come along to the PTA Meetings
OR you can simply support the PTA during fundraising events.*

Your time and support will be appreciated at whatever level you can provide!.

PTA Donations

Thank you to the PTA for their two generous donations received this week:

- **\$1500.00** towards the Year 5/6 Papamoa / Mt.Maunganui Camp (to be held Term 1 / Week 10)
- **\$1500.00** towards the classroom learning resources (**\$300.00** to each class)

Lockdown Level 1 - DRILL

I would like to again reassure you that we have well-established procedures when dealing with emergency situations of which there are four main types:

Fire, Earthquake, Lockdown Level 1 and Lockdown Level 2

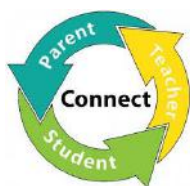

Lockdown Level 1 involves a scenario whereby the NZ Police advises us of a person in the immediate area or passing through whom they believe poses an undue risk to our school or local community.

At **10.50am** (at morning tea time) on **Wednesday 22 March** (next week), we will be having a **Lockdown Level 1 DRILL**. So that we can test our communication channels and how they will operate (and to find out if there are any issues), you will receive notification via email, SchoolApp and Facebook that the **DRILL** has started.

As a special alarm sounds, all classes/teachers/Teacher Aides move to Block A where they lie low with the doors locked (from the outside), with curtains and windows closed until the all clear is given.

You will be notified when the *Lockdown Level 1 DRILL* is **OVER**.

Note: If you are on the school site at the time, you will be required to join in the *Lockdown Level 1* drill.

Learner Conferences - Term 1

Thank you for returning the conference forms so quickly. Keep them coming in ASAP if you haven't quite got onto it yet as we need to confirm each teacher's conference schedule.

We expect to achieve 100% attendance through the week!

BOOK CHARACTER DAY

On Thursday 6 April, our last day of Term 1, we are going to celebrate well-known characters in literature with a **BOOK CHARACTER DAY**.

We would like everyone to be involved in some way...big or small. There is no judgement. Here are a few pics for some ideas, but you can easily Google for more.
