This week we welcomed **John, Harlee, Benjamin** and **Ollie** and their whānau to our school, below proudly holding their certificates.

We are sure that they will settle in well in pursuit of their aspirations for learning and life.

On **Thursday 18 May**, we will be sending three teams of four to the annual EPro8 Challenge to be held at Hilltop School, Taupo.

These are Science, Maths and Engineering-related challenges we have won in both 2021 and 2022. That's 2 out of 2 for Broadlands!

Here we have **Bailey, Casey, Rico, Kahlia** and **Charlotte** in training outside along with **Tayla, Jessie-Lee, Owen** and **Conan** sharing at today's assembly - both teams trialling their engineered constructions.

Communication is important to us!

At this time of the year, sports teams and their practices are being established. This can, and does, create a lot of confusion for the Office and your child as to their travel movements at 3.00pm!

Please let your child AND the Office know EXACTLY what is happening on practice days IF there is a change to NORMAL travel so that there is NO CONFUSION! That is...pick up or bus. Establish a routine and let us know.

Thank you for your assistance here.

School Uniform Supply

We acknowledge that there are supply, sizing and product quality issues with the gold polo shirts involving the Bocini brand for which we apologise.

Currently, the JB brand (the preferred brand) is available in sizes 2, 4, 8, 12 & 14 only. The Bocini brand is available in sizes 6 & 10. Therefore, when you order, you will need to decide whether or not you will order the Bocini brand in sizes 6 & 10 OR order the JB in 6 & 10 and be prepared to wait some months for your JB size 6 & 10 order to arrive.

We have samples here should you wish to compare the JB to Bocini before ordering.

School Paddock

Our school paddock is cut and baled through the year with the bales sold to provide additional income for the school.

We would like to acknowledge **Josh Carston - JW Carston Contractors**, for his ongoing support by providing the machinery and time to cut and bale at no cost to the school.

Thank you, Josh!

Fell cup

We are sending a Year 5 & 6 rugby team along to the **Fell Cup Tournament** to be held at **Reporoa College** on **Monday 9 May**. (Note: there is no netball in this tournament this year)

A 'play hard - play fair' attitude is followed at all times.

Thank you to **Marty Wills** for coaching / managing the team.

Information was sent out yesterday.

Community Oral Health Service (COHS)

An **Enrolment Form** for the COHS has been sent out to all students by hand today..

Included in this booklet, is information on the new fluoride varnish application project for all children from NE/Year 1 to Year 8.

Please carefully read all of the information provided before signing the **CONSENT (AGREE)** or **DO NOT CONSENT (DO NOT AGREE)**.

Please return your **Enrolment Form(s)** by **Thursday 4 May**.

Te Whatu Ora
Health New Zealand

The Dental team is coming to Broadlands School on 30th May for a visit to apply a fluoride varnish to help provide extra protection to your child's teeth.

Fluoride is a mineral that occurs naturally in some water sources. Fluoride helps protect both child and adult teeth by strengthening tooth enamel. Fluoride replaces the minerals lost on the surface of the teeth during early stages of tooth decay.

What will we do?

1. Apply a protective coating of fluoride to your child's teeth.

What do you need to do?

- If you **do not** want your child to have this service, or you want to discuss, please contact:
 - o **Phone 0800 Lakes Teeth (0800 525 378)**
 - o **Text 027 578 0275**
 - o **teeth@lakesdhb.govt.nz**
