Cross Country

Information can be found below regarding our forthcoming school Cross Country on **Wednesday 24 May**.

We look forward to seeing you here on the day.

Broadlands School Cross Country 2023

Kia ora Parents/Caregivers & Whānau,

This year, the Broadlands School Cross Country will be held at Broadlands School on **Wednesday 24 May 2023**. Students have been regularly training at school for this annual event. For those students who qualify, Cluster Cross Country is on **Wednesday 31 May**.

We require parental support with marshalling around the Cross Country course. Please let Emma or the School Office know if you are able to help with marshalling.

Age Groups are based on each student's age at the start of Term 2 (Monday 24 April 2023).

Order of events and the distances for age groups from 10.30am:

- 9 & 10 year olds - 2.25 km (Senior)
- 7 & 8 year olds - 1.5 km (Intermediate)
- 5 & 6 year olds - 750 m (Junior)

At Cross Country your child will need:

- Appropriate sports top and shorts - worn to/from school
- Warm track pants to put over shorts - to be worn while waiting or when finished
- Warm school fleece or jacket
- Appropriate footwear
- Lunch and a drink of water

At the conclusion of the Cross Country Event we will have a community BBQ; for which there will be no charge.

If the weather is undesirable, the postponement date will be Thursday 25 May.

Pink Shirt Day

Thank you for supporting our Pink Shirt (or any item) Day. Please donate below should that be your wish. Thank you!

'Pink Shirt Day is about working together to stop bullying by celebrating diversity and promoting kindness and inclusiveness (relevant to our level/age of course)...It's about creating a community where ALL people feel safe, valued and respected.'

Te Whatu Ora Health New Zealand

The Dental team is coming to Broadlands School on 30th May for a visit to apply a fluoride varnish to help provide extra protection to your child's teeth.

Fluoride is a mineral that occurs naturally in some water sources. Fluoride helps protect both child and adult teeth by strengthening tooth enamel. Fluoride replaces the minerals lost on the surface of the teeth during early stages of tooth decay.

What will we do?

1. Apply a protective coating of fluoride to your child's teeth.

What do you need to do?

- If you **do not** want your child to have this service, or you want to discuss, please contact:
 - o Phone 0800 Lakes Teeth (0800 525 378)
 - o Text 027 578 0275
 - o teeth@lakesdhb.govt.nz
