School Cross Country - Champions

What a fantastic day we shared at our Cross Country on Wednesday.

Thank you to the PTA members who provided an outstanding six-soup selection and also to our helpers under the marquee. It was great to see our little helpers in there as well interacting with people with so much confidence and great service!

Certificates and trophies will be awarded at Monday morning's assembly.

Cluster Cross Country Championships

The Cluster Cross Country event will now be held on **Thursday 1 June** at the **Lake Rerewhakaaitu Domain**.

EPro8 Challenge Teams

Having been placed **2nd** in the Taupo competition last week, **Bailey Shaw, Charlotte Halliday, Casey O'Reilly** and **Tayla O'Reilly** **qualified** to represent Broadlands School at the **Waikato / BOP Year 5/6 EPro8 Challenge Finals** held at **Mokoia Intermediate School** on **Thursday 25 May**.

In this very challenging event, they achieved a creditable **4th** place.

Because they were placed **4th**, the team qualified for the **Grand Final** which was held today at Mokoia Intermediate School where they were really challenged against the best of the BOP and Waikato teams for a **10th** placing.

Te Whatu Ora

Health New Zealand

The Dental team is coming to Broadlands School on 30th May for a visit to apply a fluoride varnish to help provide extra protection to your child's teeth.

Fluoride is a mineral that occurs naturally in some water sources. Fluoride helps protect both child and adult teeth by strengthening tooth enamel. Fluoride replaces the minerals lost on the surface of the teeth during early stages of tooth decay.

What will we do?

1. Apply a protective coating of fluoride to your child's teeth.

What do you need to do?

- If you **do not** want your child to have this service, or you want to discuss, please contact:

- o Phone 0800 Lakes Teeth (0800 525 378)
- o Text 027 578 0275
- o teeth@lakesdhb.govt.nz
