Cluster Cross Country

As has become the 'wave of gold' norm, we excelled at yesterday's Cluster Cross Country.

WELL DONE, team! Official results will be shared when they arrive along with information for the **Central BOP Cross Country** event where inclusion is based on the qualifying runners from yesterday.

Thank you for the great support!

Absentee/Pick up Board - **IMPORTANT!**

Below is the attendance board which you will have seen, maybe used, which hangs up outside the school office.

It is important that this board be used to show if a child has travelled home or been picked up by vehicle (left-hand column) during the day, though usually at the end of the day. In particular, this helps the Bus Monitors check who is/is not travelling on the bus that day. They can also see who was absent that particular day (middle column).

The students know to do this, but occasionally forget! We need to know where everybody is!

THANK YOU FOR YOUR ASSISTANCE!

Sicknesses

Thank you to those of you who are keeping your child at home if unwell.

There are lots of bugs about at the moment, including a stomach-related illness, some vomiting-some not. The respiratory condition RSV (Respiratory Syncytial Virus) causing relentless cold-like symptoms, is also making a come-back.

Keep a close eye on any illnesses please.

Winter Clothing

We strongly encourage warmer clothing during the winter months. To support this, we recommend the wearing of black thermal tops under the polo, fleece and black school beanies. We also have school cargo pants for sale.

Bare feet are common rather than black shoes and socks which is not always the wisest choice known to mankind! Not for me anyway!

PLEASE NAME ALL CLOTHING!

Library Volunteer

We have a good number of new library books that need to be bar coded and entered into our wonderful school library system. However, we need some help to do this...training will be provided.

ANY TAKERS?

Emergency Procedures - *Important!*

At Broadlands School, we have well-established procedures when dealing with emergency situations of which there are four main types:

Fire, Earthquake, Lockdown Level 1 and Lockdown Level 2

Lockdown Level 1 involves a scenario whereby the NZ Police advises us of a person in the immediate area whom they believe poses an undue risk to our school community.

Lockdown Level 2 involves environmental events like a volcanic eruption, chemical spill, gas pipeline leak, fuel spill, swarm of bees or a mad cow on the loose-type scenarios which may/may not involve the NZ Police and/or Civil Defence as it depends what the situation is.

All situations can be a bit scary for some students which we truly understand, but all staff minimise or eliminate any anxiety or stress and talk to their classes with a little 'heads up'.

Important Note #1: Should a *Lockdown Level 1* or *2* occur, you will be immediately contacted through **Facebook**, **SchoolApp** and **email** when it starts and ends. Instructions will be included.

******We will be holding a Lockdown Level 1 DRILL on Tuesday 11 June at 12.15pm which is signalled by an alien-like sound******
