Transportation Home - Changes

Now that the rugby season is underway, we MUST know of the transportation arrangements you wish to happen if rugby is **ON** or if rugby is **OFF**.

Do we put a player ON the bus or DO WE NOT?

WHO is picking up or WHO IS NOT?

For your child's safety, we MUST know!

We should not be making assumptions!

Respectfully, we are not mind readers!

PTA News

2026 is set to bring *construction plans to life* around our school. The Broadlands PTA is planning to *raise \$20,000* this year to put towards new decking outside Block A | Rooms 1 to 3, that will provide additional outdoor learning spaces for the students in these three classrooms.

We aim to keep you up to date on upcoming fundraising events and as always would love your support.

The *Pie Day orders* have been coming in well. Thank you! There is still time if your child hasn't yet got their order in. Final orders **Monday 15 June**.

From **Friday 19 June**, you will also see that we will be running a *frozen pie/savouries fundraiser*. It will be super easy to get involved. Details to come!

Pie Day

Order forms were sent home through your child's class on Tuesday or Wednesday of this week. Orders are racing in!

Variable and Static Speed Signs

To help keep children safe on their way to and from school, new variable speed limits on our current electronic variable speed signs will be introduced on roads near school entrances from June 2026. New static road signs/boards will also be installed.

Outside Broadlands School, the variable speed will be **reduced** to **30 km/h** (from the current 40 km/h).

The electronic variable speed times have also been increased to an hour at each end of the day, being **8:00 – 9:00am** and **2:45 – 3:45pm** respectively.

Attendance

Late Arrivers - Early Leavers

We understand that there are the occasional and **genuine** reasons for a child being late to school, or picked up early. However, we do ask that this does not become habitual as the start and end of each day are very important for children with their daily routines.

We appreciate your support with this.

School Communication - With Staff

Open three-way communication (teacher/parent/tamariki) is important to us.

The means of communication with Broadlands School are as follows (in no particular order):

www.broadlands.school.nz

5. Appointments to see your child's teacher about their learning can be made by **email**, **phone**, **Seesaw** or **in person**. For a quick chat, please just call in (before or after school is best).

Bus Vests

We would have an approximate **95%** compliance rate at the moment which is quite pleasing...just the daily poor excuses, such as....

"I've lost mine!"

OR

"I left it at home!"

OR

"My Mum didn't give it to me"

Bust vests must either **be worn OR** in a school **bag** at school or at home.

School Accounts

Student account statements are sent out around the 20th of each month. Please ensure your child/ren's school account is paid by the due date.

If you know you have an overdue account, please make contact, be it by email or just pop into the office.

We do have a few families who have an automatic payment set up to come out each week. This is a good way to manage payments. The school is happy to talk about a payment plan with you if this would be helpful. Please get in touch with the Office about this.

School Communication - Absences

Just a reminder - please ensure you let the Office know of an **absence** by **9:30am**.

This can be done by:

Txt: 021 0291 9131

Email: office@broadlands.school.nz

Phone: 07 333 8576 extension 1

Or via our website: <https://www.broadlands.school.nz/report-an-absence/>

If we don't hear from a parent or guardian providing a **REASON**, then this is marked as a 'T' - Truant!

Note: It is a legal requirement for a reason to be provided.

School Communication - Changes to bus rolls

Please ensure that ***the Office and your children*** know how they are getting home/to activities after school, i.e. whether they are on the bus or getting picked up. This prevents confusion and undue stress at the end of the day for both students and the Office.

★ ***We DO NOT change any bus plans based on what children tell us!***

If there are changes to bus plans during the day, **please let the Office know by 2:00 pm**; i.e.

★ ***if a child is taking a bus different from their usual bus or***

★ ***if they won't be on the bus that day due to getting collected from school or***

★ ***If your child is being picked up by another family adult, we MUST have your consent.***

You can contact us by:

Txt: 021 0291 9131

Email: office@broadlands.school.nz

Phone: 07 333 8576 extension 1

Reading at home

Reading to your child, or your child reading to you everyday will make a big difference!

Reading together helps to promote the development of early literacy skills including:

- Knowledge of the alphabet
 - Turning pages
- Pointing/sweeping of the finger
- Text orientation (left to right)
- Developing word knowledge/vocabulary
- Recognising punctuation and grammatical features
- Phonological awareness- the sounds that letters and letter blends make
 - Improving comprehension
 - Building independence
 - Creating social awareness
- Developing perceptions and emotions in life.

The quantity and quality of your shared reading experience will impact greatly on your child's reading success!

Children who are readers find other learning easier!

Helpful Conversations for Families / Whānau

One of our lovely Broadlands School teachers, Karla Shaw, is currently working towards her Masters in Counselling (Narrative Therapy) through the University of Waikato (see the poster below). As part of her studies, Karla is offering **free helpful conversations** to students and/or families - in a confidential space to talk and share.

These sessions are available on **Thursdays**. Please feel welcome to contact the school Office, in confidence/privately, if you would like more information or would like to book a time with Karla.

KŌRERO THAT CARES HELPFUL CONVERSATIONS

KŌRERO THAT CARES

These conversations are similar to counselling. They offer a safe, confidential, caring space to talk things through and are for children and families.

HELPFUL CONVERSATIONS

Karla Shaw is a teacher at our school and she's also learning how to be a counsellor. That means she's learning how to listen really carefully and have helpful conversations with kids and families who want to talk.

COUNSELLING STUDENT

Karla is currently studying counselling through the University of Waikato and is halfway through her Master's in Counselling (Narrative Therapy). These kōrero are part of her learning journey and offer a gentle, confidential space for tamariki or whānau to talk about what's going on.

A NEW OPPORTUNITY FOR WHĀNAU

You might want to talk about something that's been on your mind, something that's happened, or just have someone to listen. You can choose what to talk about - or not talk about! 

NEED SOMEONE TO TALK TO?

 This is a free confidential service available on Thursdays in term 3. Children and families can pop in for a chat, or if you need more information talk to Becky or Graeme in the office. 

Confidential conversations

If this sounds helpful for you or your child, ask Becky in the office for more information.

More information at the school Office.
