Board News

Great news! Construction and refurbishment projects in and around **Room 4 | Block C** and **Room 5 | Block D** with **Wade Construction** will begin in these July school holidays.

The new decks under the Archgola outside **Rooms 1 to 3 | Block A** will be completed in these July school holidays.

All projects will generate a lot of high interest due to the hive of building activity.

As you will understand, your child's safety is important to us, so be assured that all on-site contractors / subcontractors operate under strict health and safety protocol. Remaining off the school grounds around the buildings during the holidays is advised.

IMPORTANT

Please be aware that there may be some asbestos removal undertaken during the holiday period involving some of the external cladding of Room 4 | Block C.

Of course, asbestos removal will NEVER happen during school time and will only be undertaken by a Ministry of Education-approved asbestos management company.

Riley Manning, Jasmine Beveridge, Charlie Tolladay, Ari Riddle, Eden Leonard & Bentley Harvey

Attendance Reporting to You 2026

Ongoing attendance rates at Broadlands School continue to fluctuate from week to week quite wildly, with some attendance patterns very concerning. To help you understand where **YOUR** child is at with attendance, we are going to report to you mid-year (for Terms 1 & 2) and end of year (for Terms 3 & 4) for the first time.

Attendance reporting will be through Seesaw which will follow the Ministry of Education's diagram and terminology below. Note: the Ministry's attendance target. We achieved **73%** in Term 1! We consistently need **80%**!

Stepped Attendance Response – STAR

Responding to all absences

The Government's target is for **80% of students to attend regularly**, that is to attend school more than **90% of the time**.

PTA Update:

Dear Families,

Online Frozen Pies & Savouries Fundraiser

2026 is set to bring construction plans to life around our school. The Broadlands PTA is planning to raise \$20,000 this year to put towards new decking outside Block A | Rooms 1 to 3, that will provide additional outdoor learning spaces for the students in these three classrooms.

How will this fundraiser work? We have chosen to run a Go Raise It frozen pies & savouries fundraiser. These pies and savouries are crafted with love by people who love pies too! All items are crafted using locally sourced ingredients and packed with incredible flavour. Whether you're after a quick snack or a satisfying meal, they're the perfect freezer staple, ready whenever you need them. With a variety of classic favourites and hearty options to choose from, there's something to satisfy every craving.

By running our product sales campaign online, it makes it super easy for everyone - no more door knocking, your family can fundraise from home - no need to worry about handling all that cash and keeping track of orders. You simply sign up on the fundraising website, share the link with family and friends and they can arrange to collect their products from you at the end of the fundraiser.

How do I sign up to fundraise online? Each fundraiser can sign up for their very own fundraising web page to send out to friends and family to collect sales.

Go to this website page OR scan the QR Code to go there:

<https://broadlandsschoolpies.raiseit.co.nz/>

Ideas for promoting/selling:

- **Share your fundraising page around your workplace/colleagues** and tell them a date when you will bring their purchases for collection
- Use the links on your fundraising page to **share with friends/family** via email & social media
- **For family & friends who don't live locally** – offer to give their purchase to a local charity you support

What happens at the end of the fundraiser? Check your fundraising website for final day for sales and pick up date. Your school/club fundraising manager will be in touch with you regarding further details for your pick up day and where you can collect all your products. Before pickup day, you will be sent a report (to your registered email) showing all the supporters who have purchased from your fundraising web page and what items/quantities they have purchased. You pickup all the products sold on your fundraising page and arrange to get them to your supporters.

Thank you for supporting us with this fundraiser.

Pie Update

Thanks to all the families that have signed up to our Frozen Pie Fundraiser. So far, 45 families have helped us sell \$6392 worth of pies. All families that have registered will be in the draw to win over \$300.00 worth of spot prizes.

Transportation Home - Changes

Now that the rugby season is underway, we MUST know of the transportation arrangements you wish to happen if rugby is **ON** or if rugby is **OFF**.

Do we put a player ON the bus or DO WE NOT?

WHO is picking up or WHO IS NOT?

For your child's safety, we MUST know!

We should not be making assumptions!

Respectfully, we are not mind readers!

Variable and Static Speed Signs

To help keep children safe on their way to and from school, new variable speed limits on our current electronic variable speed signs will be introduced on roads near school entrances from June 2026. New static road signs/boards will also be installed.

Outside Broadlands School, the variable speed will be **reduced** to **30 km/h** (from the current 40 km/h).

The electronic variable speed times have also been increased to an hour at each end of the day, being **8:00 – 9:00am** and **2:45 – 3:45pm** respectively.

It is fair to say that some of the driving habits and speeds passing Broadlands School are appalling and incredibly dangerous!

Below are the posters supplied by **Rotorua Lakes Council** which have also appeared on our Facebook page this week

Fidget Things

There are a few fidget things appearing at school and in class at the moment. They are typically held in a hand / in hands to fidget with.

These are a distraction to learning, so should remain at home, UNLESS there is a learning need, in which case this should have been discussed with and approved by your child's teacher as a specific and diagnosed LEARNING NEED.

Attendance

Late Arrivers - Early Leavers

We understand that there are the occasional and **genuine** reasons for a child being late to school, or picked up early. However, we do ask that this does not become habitual as the start and end of each day are very important for children with their daily routines.

We appreciate your support with this.

School Communication - With Staff

Open three-way communication (teacher/parent/tamariki) is important to us.

The means of communication with Broadlands School are as follows (in no particular order):

1. Phone:

(07) 333 8576 (Landline to reach Office & Principal)
021 0291 9131 (For absences/important messages only)
(027) 291 9171 (Principal - if specifically needed / in urgent situations)

2. Email:

Mr Graeme Taylor - principal@broadlands.school.nz - Principal
Ms Felicity Cook / Whaea Felicity - felicity@broadlands.school.nz - Year 5 & 6 | Room 3 -
Ruma Toru
Mrs Debra Lynch - debra@broadlands.school.nz - DP / Year 4 & 5 / Room 2 | Ruma Rua
Miss Tayla Nicholson - tayla@broadlands.school.nz - Year 3 & 4 / Room 1 | Ruma Tahī
Mrs Kylie Parkes - kylie@broadlands.school.nz - Year 1 & 2 / Room 5 | Ruma Rima
Ms Lou Wright / Whaea Lou - lou@broadlands.school.nz - NE & Year 1 / Room 4 | Ruma Whā
Mrs Traleenah Bentley - traleenah@broadlands.school.nz - Block A support teacher
Miss Emma Fernandez / Whaea Emma - office@broadlands.school.nz - Office

3. **Seesaw** - our learning sharing tool. Classroom teachers will have you fully set-up here.

4. Broadlands School website

www.broadlands.school.nz

5. Appointments to see your child's teacher about their learning can be made by **email**, **phone**, **Seesaw** or **in person**. For a quick chat, please just call in (before or after school is best).

Bus Vests

We would have an approximate **95%** compliance rate at the moment which is quite pleasing...just the daily poor excuses, such as....

"I've lost mine!"

OR

"I left it at home!"

OR

"My Mum didn't give it to me"

Bust vests must either **be worn OR** in a school **bag** at school or at home.

School Accounts

Student account statements are sent out around the 20th of each month. Please ensure your child/ren's school account is paid by the due date.

If you know you have an overdue account, please make contact, be it by email or just pop into the office.

We do have a few families who have an automatic payment set up to come out each week. This is a good way to manage payments. The school is happy to talk about a payment plan with you if this would be helpful. Please get in touch with the Office about this.

School Communication - Absences

Just a reminder - please ensure you let the Office know of an **absence** by **9:30am**.

This can be done by:

Txt: 021 0291 9131

Email: office@broadlands.school.nz

Phone: 07 333 8576 extension 1

Or via our website: <https://www.broadlands.school.nz/report-an-absence/>

If we don't hear from a parent or guardian providing a **REASON**, then this is marked as a 'T' - Truant!

Note: It is a legal requirement for a reason to be provided.

School Communication - Changes to bus rolls

Please ensure that **the Office and your children** know how they are getting home/to activities after school, i.e. whether they are on the bus or getting picked up. This prevents confusion and undue stress at the end of the day for both students and the Office.

★ We DO NOT change any bus plans based on what children tell us!

If there are changes to bus plans during the day, **please let the Office know by 2:00 pm**; i.e.

★ if a child is taking a bus different from their usual bus or

★ if they won't be on the bus that day due to getting collected from school or

★ If your child is being picked up by another family adult, we MUST have your consent.

You can contact us by:

Txt: 021 0291 9131

Email: office@broadlands.school.nz

Phone: 07 333 8576 extension 1

Reading at home

Reading to your child, or your child reading to you everyday will make a big difference!

Reading together helps to promote the development of early literacy skills including:

- Knowledge of the alphabet
 - Turning pages
- Pointing/sweeping of the finger
- Text orientation (left to right)
- Developing word knowledge/vocabulary
- Recognising punctuation and grammatical features
- Phonological awareness- the sounds that letters and letter blends make
 - Improving comprehension
 - Building independence
 - Creating social awareness
- Developing perceptions and emotions in life.

The quantity and quality of your shared reading experience will impact greatly on your child's reading success!

Children who are readers find other learning easier!
